Dear Pupils

I am writing this letter to communicate with you after what has been another challenging year for all of us. I would like to thank you for being such an important part of Omagh High School as a member of our Sixth Form. While Covid-19 continued to disrupt school life this year for many of you, you have persevered and shown great resilience, managing your studies online, at home and in school.

Every situation, including the last year, offers experiences from which we ought to learn. We must learn from the adversities of the past year and adapt to challenges that will appear in front of us in different forms in the future. This year's experience, together with your previous challenges from school, have given you the strength to cope with the life ahead of you.

As you return to year 14, it is important that you follow all school procedures, attend all classes, work independently in your study periods and at home and adhere to all deadlines set by your teachers. These will allow you all to achieve your full potential and help you in the next stage of your educational pathway.

In year 14 there will be many opportunities to volunteer within school and the local community. Please ensure that you become involved in this. Not only will you find this to be a very rewarding experience but it will also afford you the chance to build your C.V. at a critical time in your career planning and for course and/or job applications. Try to avail of experiences which will feed into that aspect of your life.

Finally, as we part for the summer, enjoy your break from school, stay safe and we look forward to seeing you again in August.

Yours faithfully

S Pauley (Mrs)
