Dear Pupils, Parents and Carers

As you come to the end of your GCSE journey, I wanted to take a moment to reflect and say how proud I am of you all.

Having first worked with many of you in Year 8, it has been a privilege to see how much you have grown and matured over the years. To now see you reaching the end of this important stage in your school life is particularly special.

As a year group, you have always worked well together and built positive relationships with staff, which has made supporting you a pleasure. During the recent GCSE examination period, many of you demonstrated resilience and determination, approaching this challenge with maturity and focus.

You have played your part in school life in many ways, through your lessons, friendships and the day-to-day contributions that make a school community strong.

I would also like to recognise your House teachers, Mrs Robinson, Mrs Watters, and Mrs Crawford, who have supported and guided you throughout your time in school.

As you move on to the next stage, whether that is returning for sixth form or following a different pathway, I encourage you to approach the future with confidence. Take opportunities, learn from challenges, and never hesitate to ask for support when you need it.

Finally, thank you to parents and carers for your continued support throughout your child's time in Year 12.

I wish you all every success and happiness in whatever you choose to do next.

Yours faithfully

Mrs Graham  
Pastoral Leader (Year 12)
