Dear Pupils

As the school year draws to a close, I would like to take the opportunity to commend Year 9 on your resilience and your ability to adapt to the changes we have faced in school. This has been a school year with challenges due to continuing Covid restrictions and I would like to thank all of you for your commitment to doing your best in school work this year. Many of you have completed excellent work and have used the opportunity to learn and develop new skills. I am also grateful to your parents for their continued support throughout the year.

As I reflect on this year, I must commend you on your excellent contribution to school life. Your subject teachers have commented on your positive attitude and enthusiasm, so a big thank you for taking such an active role in class, on the sports field and in the extra-curricular activities which have been available. Omagh High School would not have been the same without you. It has been my privilege to be your pastoral leader over this year and I look back on the year with fond memories of your achievements and successes.

Please allow me to remind you about the importance of looking after your wellbeing at this time. Please take time this summer to relax and recharge your batteries. I would also encourage you to actively keep in contact with your friends during the summer.

Enjoy your well-deserved break from school and we look forward to seeing you again in September, ready to re-start our learning journey.

Yours faithfully

G Johnston (Mrs)  
Pastoral Leader Year 9
