Dear Students

This school year has seen a return to some normality for school life at Omagh High School and I am glad that Year 8 have been able to experience this. As students, you have now completed your first year and you are ready to embark on new challenges in year 9.

I would like to congratulate the year group as a whole, on how you have conducted yourselves this year. You have come from lots of different primary schools and risen to the challenges that secondary level demands of you; developing greater independence, learning new skills and forging new friendships.

As the summer commences, I would like to stress the importance of looking after your wellbeing at this time. You need to make sure that once school finishes, your summer is balanced with good healthy living. It is essential you engage in some exercise and balance the use of mobile phones and electronic devices. I would also encourage you to actively keep in contact with your friends during the summer and enjoy your time off.

I hope that you all have gained a lot from the past year. The year 8 team; myself, Mr Funnell, Mrs Gwynne and Mrs Patton, have enjoyed working with you and I wish you every success as you embark on your year 9 journey with your new House Teachers.

Enjoy your well-deserved break from school and we look forward to seeing you again in September, ready to start a new chapter in your learning journey.

Yours faithfully

E Graham (Mrs)  
Pastoral Leader Year 8
