Dear Pupils and Parents

I am writing this letter to thank you for all you have contributed to Omagh High School in your first academic year.

No one could have predicted that students would spend long periods of their Year 8 studies away from the classroom.

I have been very impressed with the commitment you have shown with your work over your first academic year and during long periods of home study. I fully appreciate how challenging this has been but many of you completed wonderful work online and used every opportunity to build foundations for commencing your Year 9 studies.

Every situation, including this one, offers experiences from which we ought to learn. We must learn from the hardships of the past year and adapt to challenges that will no doubt present themselves in different forms in the future. Life in school in September will continue to take into consideration that we are still facing a wide-scale pandemic. Your continued support with the wearing of masks, social distancing and good hygiene is greatly appreciated for the safety of us all and we must continue to work together to face what may lie ahead for the next academic year.

As your Pastoral Leader I have to comment on the excellent contribution you have made to school life despite the fact that many extra-curricular activities had to be scaled down this year. As a group of students you always had a positive attitude to your studies and school life in general. I have really enjoyed working with you all and have appreciated the enthusiasm and positivity you have shown in the classroom. A huge thank you to you all and I hope that you continue to work as hard on all aspects of school life when you commence Year 9.

Enjoy your well-deserved break from school and we look forward to seeing you again in September.

Yours faithfully

E Graham
Pastoral Leader
