Dear Pupils, Parents and Carers

As we reach the end of another busy and memorable school year, I wanted to take a moment to reflect on everything you have achieved and to say how proud I am of each and every one of you.

Year 10 is an important milestone in your school journey. It marks the end of Key Stage 3 journey. As you are progressing into your GCSE studies you will come across new challenges, responsibilities, and opportunities. Although I have only been your Pastoral Leader for a short period, I have seen many of you rise to these challenges with determination, resilience, and maturity. Whether it has been in lessons, extracurricular activities, or simply supporting one another, you have demonstrated qualities that will serve you well in the years ahead.

There have been moments where motivation has been tested and expectations have been high. However, what has stood out most is how many of you have shown perseverance with learning from mistakes, asking for help when needed, and continuing to push yourselves forward.

I would also like to recognise the positive contributions you have made to our school community. Many of you have taken part in clubs, sports teams, performances, and leadership opportunities. Others have quietly made a difference through kindness, respect, looking out for your peers and acting as ambassadors for our school. These are just as important as academic success and help shape the supportive environment we value so much.

As you look ahead to Year 11, it is important to remember that this next stage will require more focus, commitment, and good organisation. The habits you develop now such as revising regularly, managing your time effectively, and maintaining a positive attitude, will make a significant difference. At the same time, don't forget to look after your wellbeing and to support one another along the way.

I encourage you to use the summer break wisely; take time to rest and recharge but also reflect on your goals and how you intend to approach the year ahead. Small steps earlier can lead to great success later.

Finally, I want to thank you for your efforts, your kindness, and positivity you bring to our school each day. It has been a pleasure to support you.

I wish you a restful, enjoyable summer break and look forward to seeing you back in September, ready for the next stage of your journey with us.

Yours faithfully

L Caldwell
